Subject: **Internship for Students of Swedish College of Engineering & Technology (SCET), Wah Cantt**

Dear Sir,

I take the opportunity to inform you that Swedish College of Engineering and Technology, Wah Cantt offers BSc Engineering programs in Civil, Electrical and Mechanical disciplines, in affiliation with UET, Taxila.

To broaden the vision and improve the skills of students various co-curricular activities are arranged by the college, time to time. However, internship/hands-on training is an integral part of curriculum and is one of the requirements for the engineering degree.

We understand that your esteemed organization would be in a position to accommodate our students for internship to work with experienced engineers to get exposed to application for their knowledge and know-how of the subject in a real world work situation. This contact will further develop collaboration with SCET which will help later on to find suitable prospective employees for your organization.

The particulars of students are as follows:
